

Parent/Guardian Acknowledgement

Date: ___/___/____

I, the undersigned, acknowledge the following information has been provided, read, understood, and agreed to in an honest manner:

1: That I have filled out the registration completely and honestly, making Whimsy aware of any known allergies, physical or behavioral concerns and considerations or other uniquenesses regarding my child. I furthermore attest that my child is in good health to enjoy the benefit that a setting such as this provides and up to date on all immunizations that are in keeping with my faith.

2a: By signing this document, should such a situation arise, I consent to emergency medical protocols and treatments and hold harmless Whimsy and its staff in its execution of such protocols and treatments as they await the arrival of first responders.

2b: That if my child is on medication, I have coordinated my child's stay at Whimsy by either administering it prior to arrival or agreeing to a pick up time in time for any administration of the medication. All known side effects or reactions to said medications shall be disclosed to Whimsy staff. Should the medication produce side effects that may result in Whimsy being unable to adequately care for the other children, I will pick up my child as directed by staff.

2c: If I disclosed allergies to Whimsy, and I know the reaction to be severe, or concerned with the potential reaction, it is my duty, responsibility, and obligation to not only convey these concerns to Whimsy, but to provide any alleviating emergency medication (Epi-Pen) and that I consent to the Whimsy Staff's use of it on my child in conjunction with their potential precaution to contact 911 and dispatch the appropriate authorities.

3: That I have received, read, understand, and agree to the document referred to as "Parent Handbook". I acknowledge its availability on the Whimsy site and can access, read, print, or otherwise refer to it at any time.

4: That I understand the State of Tennessee has a reporting and investigation hot line should I wish to report Whimsy to the proper authorities. That it is posted on the bulletin board within their facility.

5: That I understand it to be posted within the center and that I may request to speak with the Supervisor on the floor.

6: That I can view any violations determined by the State regulators on the bulletin board

7: That I have viewed, read, printed, understood, and have made my own determination regarding the Photo/Media Release. That I must actually sign the release if I agree to the terms of it and that if I have not signed or do not agree with it, that Whimsy will not use my child for such purposes.

8: That I understand any and all staff at Whimsy are mandated reporters of any suspected abuse or neglect. That their interest is solely for the concern and welfare of the child. That I do not hold responsible, indemnify, nor in any way will retaliate should they feel the need to express their concern. I hold them completely harmless in this regard.

9: That I understand Whimsy to operate in a "Drop In" capacity only. For which the State of Tennessee regulates and that I may either ask for and read their printed copy of the regulations on site or I may go to the link posted on their bulletin board.

10: That I understand this is a private business with all rights reserved. That neither children nor staff shall be photographed nor recorded on my part as it would violate consent agreements. That I will resolve any concerns, issues, or points of contention privately. As children are present I will not become loud, belligerent, or use any foul or non-family friendly language. I will refrain from using any form of social media to disparage the business. To perform any of the actions in item #10 of this acknowledgement may result in legal action.

11: That I further understand that upon entry to Whimsy, myself and my child are guests. As such, I will conduct myself in a civil and cordial manner. I understand that certain information may be asked and obtained more than once. I will remain patient as I understand it is part of their due diligence to ensure the safety of all concerned. I further understand that once my child is ready to enter the play area or our belongings are gathered and we are ready to leave, that I will not loiter on premises.

12: That while Whimsy maintains hours of operation for the care of children, I understand that management is typically available via phone or email between 10am and noon, Monday through Friday. And that 24 hours (the next business day) is sufficient for a response acknowledging my communication. That I understand Whimsy staff cannot adequately resolve a dispute AND go on providing care for the children during their operating hours. I will reserve my concern, issue, or disagreement for such time as allocated in item #12 of this acknowledgement document.

13: That I understand Whimsy is open to suggestions and constructive criticism. Whimsy is not, however obligated to listen, react, or respond to my venting for pure disagreement sake without offering a reasonable resolution to the issue. Moreover, I will not be any less respectful of a member of the Whimsy staff than I would of a baby sitter in my own home.

14: That I understand, as a parent, all the above is to foster a more conducive atmosphere for my child. It is through this lens that I understand and agree to the terms stated in this document as well as to those in the Parents Handbook.

15: That I understand each time I enter Whimsy to drop off my child that I must sign the Sign In/Sign Out form and leave an estimated pick up time for my child's length of stay not to exceed 4 hours. Furthermore, that upon pick up, it must be signed that my child was picked up by myself or an authorized person for which consent has been given.
